EXTRA INFORMATION

All PADI courses require a medical questionnaire to be completed prior to any in-water activities. If any questions are answered in the affirmative the customer must see a doctor (available in Honiara) for approval to dive. Prices include equipment hire, all necessary PADI online materials and certification. Dives not completed due to illness, ear problems etc. are nonrefundable.

All divers must provide proof of certification and complete a liability release before diving. Dives not completed due to illness, ear problems etc. are nonrefundable. Equipment lost or damaged by the diver will be charged at the replacement price in Honiara. Dive sites are chosen daily, based on local conditions and the experience of the divers on the boat. Diving is not permitted within 24 hours of flying.
